I said to
get on the
block!

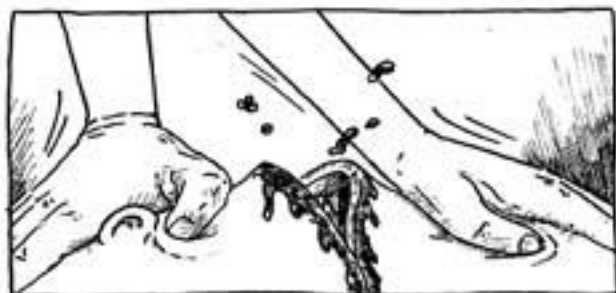

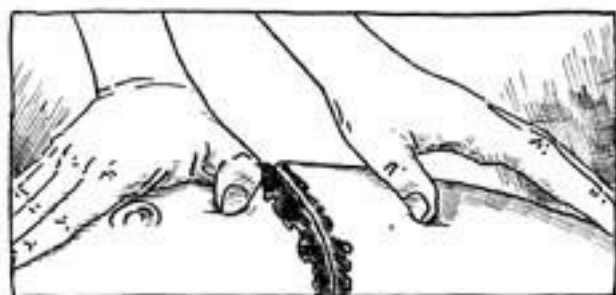

Now turn
around and
lie down

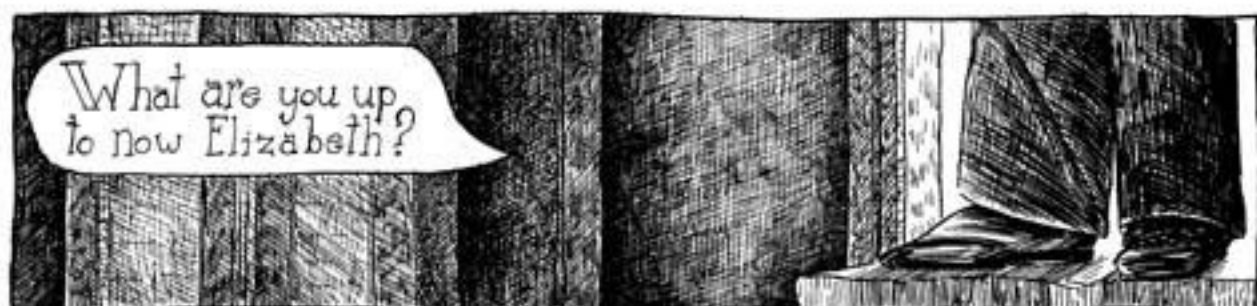

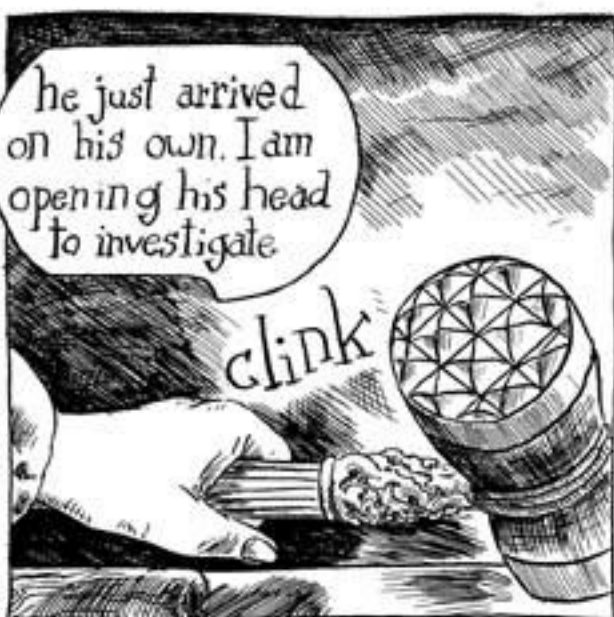

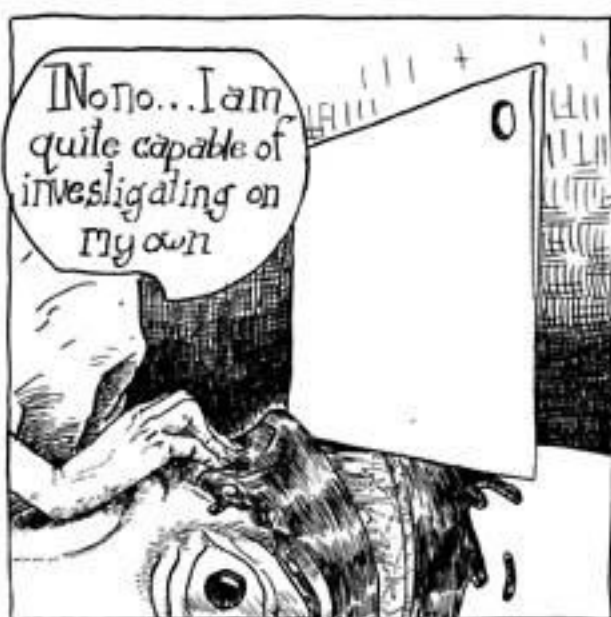

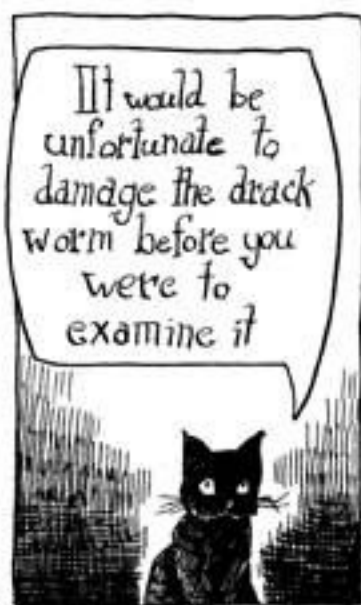

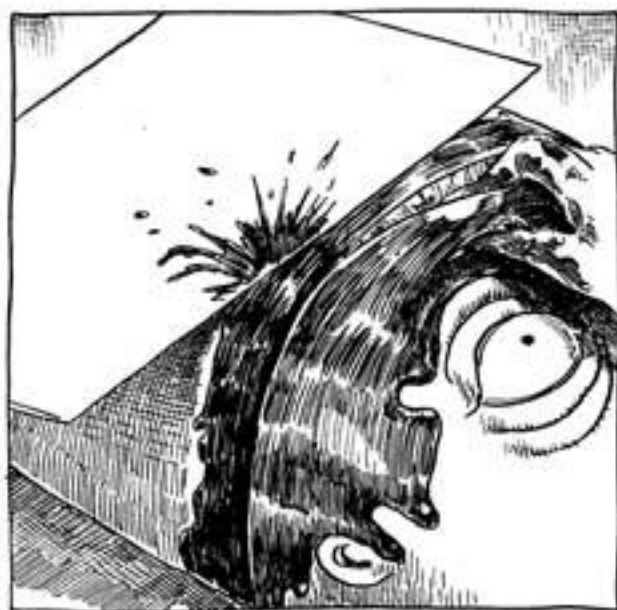

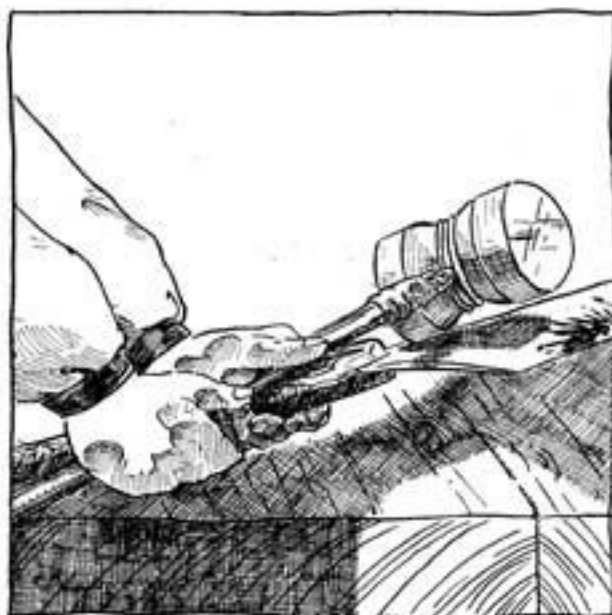

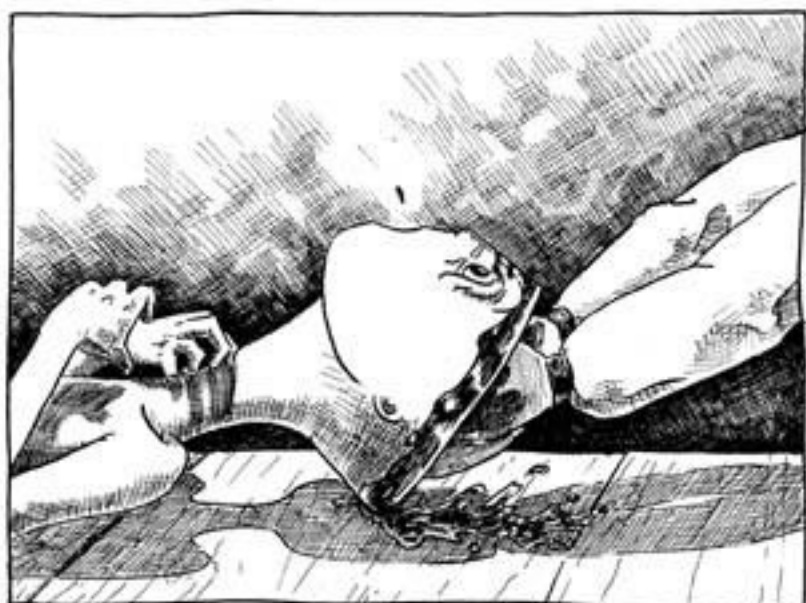

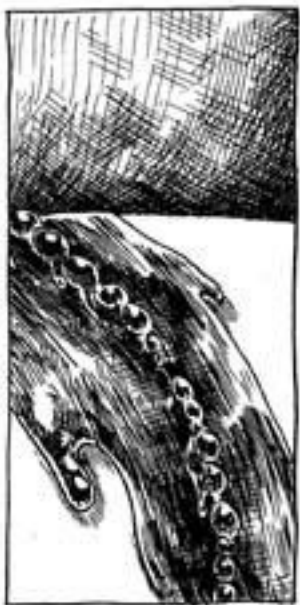

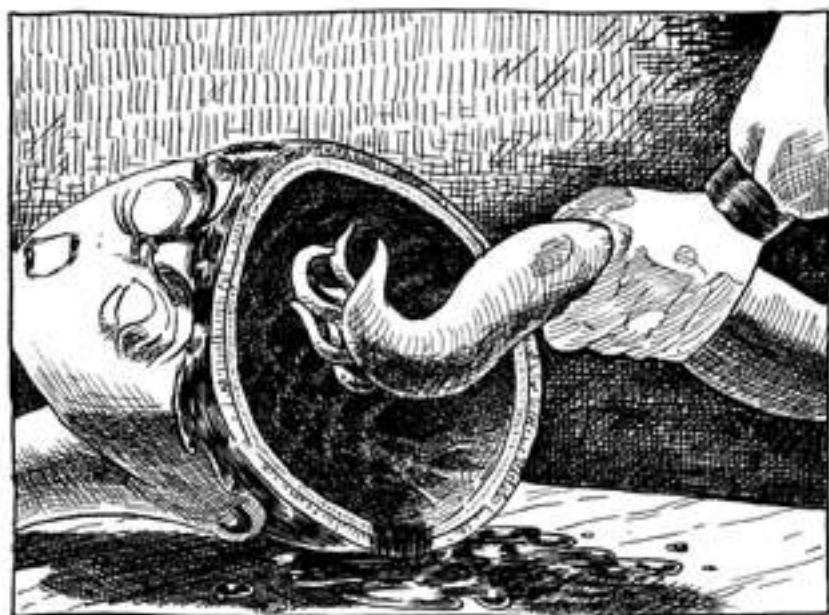

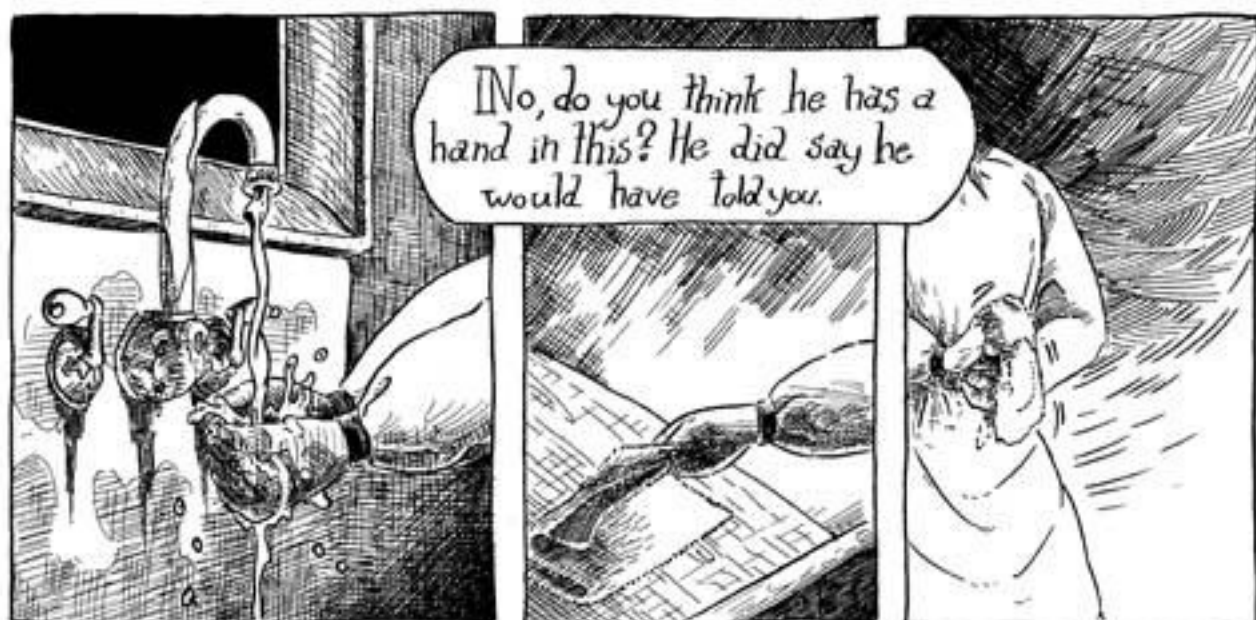

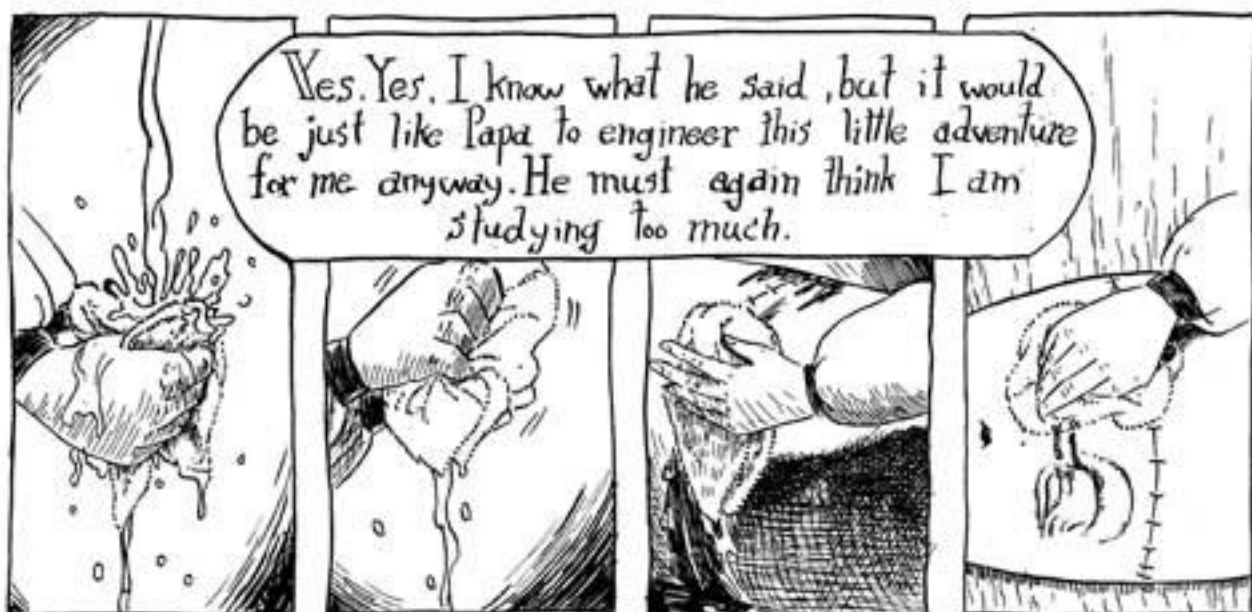

No, do you think he has a hand in this? He did say he would have told you.

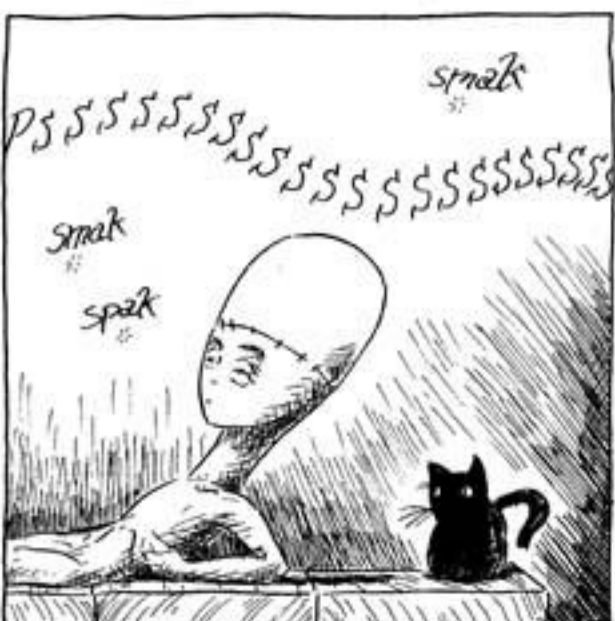

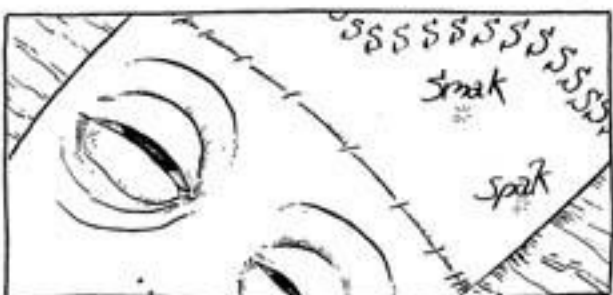

Yes. Yes. I know what he said, but it would be just like Papa to engineer this little adventure for me anyway. He must again think I am studying too much.

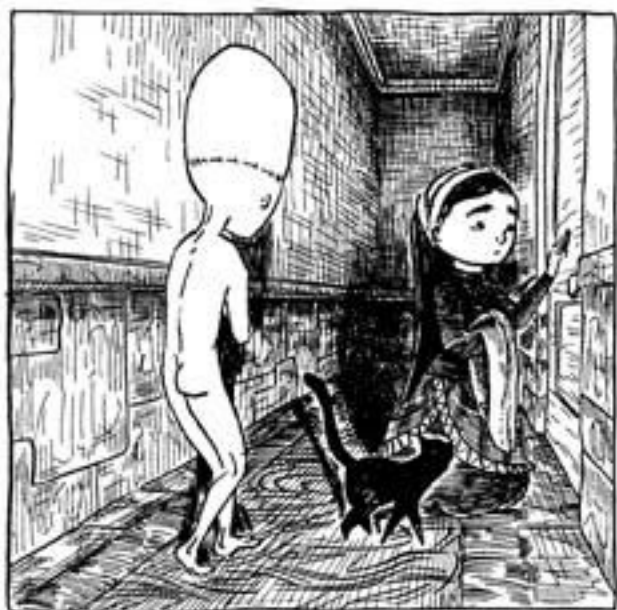

Sight

As for the marionette I will simply have to find some chores for him.

but that will wait for tomorrow

Perhaps you
are right.

After all, his destiny
is a greater question
this time around.

hmm

Ballad

No last
name?

If I picked a first name you
pick the surname.
